Dear Sisters & Brothers:

Welcome to the Southeast Michigan Synod Mission Strategy Process! We are starting a journey like we have never been on before.

While challenges abound for Southeast Michigan, we believe God is up to something and that God is in the world already. In fact, we believe that God has a dream for Southeast Michigan and even more that God invites us to discover and live out our role in that work.

The Synod Mission Strategy Cluster Events will be engaging, biblical, prayerful and spiritual. We will experience God's powerful movement in our midst that will give the Synod direction and purpose. We will model how congregations can enter the same process, involving hundreds and perhaps thousands of members.

Make sure that your congregation is present with your pastor(s) and at least five lay leaders. You will join with people from other congregations in this exciting journey that is only beginning. The time is now!

In Faith and Struggle,

Bishop Stephen G. Marsh
